- Having staff sign declarations of suitability to work with children and vulnerable adults, read and adhere to this policy
- Providing effective management for staff through supervision, support and training
- Sharing information about child protection and good practice with children, parents and carers, staff and volunteers
- Sharing information about concerns with the agencies who need to know, and involving parents and children appropriately
- Appoint a Child Protection Officer: Jelena Faranov
- We are also committed to reviewing our policy and good practices at regular intervals.
